

Nine Core Values at Home

We are all dealing with a new, different and at times difficult normal. It is more important than ever that we remember and display the Nine Core Values. Whether it is doing schoolwork, helping around the house or keeping entertained, remembering the Core Values can be helpful to you and your family. We should all be doing our best to enjoy the extra time with parents and siblings. It can also feel like you are 'stuck' with the same people day in and day out. Record an example of each Core Value as you see them being displayed in your family. Whether it is you, a sibling, a parent or even a pet. Email your filled in sheet to Jessani.thefirsttee@gmail.com to be entered into a drawing for a prize at the end of quarantine time! Click [HERE](#) for a refresher on the 9 Core Values.
