

### Here's how **YARD GOLF** works:

1. It's real simple, you can play **YARD GOLF** by yourself or with family and friends; either will work.
2. Everyone gets 1 club (a wedge of some sort) and 1 ball.
3. Start in the yard and have the first player pick out a **YARD GOLF** hole for everyone to complete.
4. Once the **YARD GOLF** hole has been identified everyone will take turns hitting their own ball until it touches the final target (which could be a tree, bush, drain cover, fence post, sprinkler head, fire hydrant, or any other regular object). Then the hole is complete.
5. Play as many or as few **YARD GOLF** holes as you want to and keep score.
6. The object of **YARD GOLF** is to have the lowest total score in the group after all the holes have been played.

### Want to make **YARD GOLF** more fun and challenging?

- Try creating **YARD GOLF** holes that have different score for par (3, 4, or 5; you could even get a little crazy and design a par 6, 7, or 8...It's up to you!!!)
- Make **YARD GOLF** holes that bend/dogleg left or right. See our sample course map for ideas.
- Create **YARD GOLF** holes with real and imaginary obstacles like trees, bunkers, water hazards, castles, volcanoes and anything else you can think of.
- Play **YARD GOLF** using different formats like: stroke play, match play, family challenge, team vs. team, etc...
- Make a real **YARD GOLF** scorecard and use tees and ball markers while you play.
- Host a **YARD GOLF** tournament with all the kids in the neighborhood (not during quarantine)!
- Play **YARD GOLF** dressed as your favorite PGA Tour player. Maybe **Rickie Fowler** or **Bubba Watson**?

### Remember:

- Always ask your parents for permission before playing **YARD GOLF**.
- Never pick a **YARD GOLF** hole by a window or other valuable property (ex: automobiles).
- Play **YARD GOLF** in your own yard.
- Be gentle on the grass and all other surfaces that you may find yourself playing **YARD GOLF** from.
- Follow The First Tee Code of Conduct when playing **YARD GOLF**: Respect for Myself, Respect for Others, and Respect for my Surroundings.

### Parents:

- Play **YARD GOLF** with your kids until they are ready to do it on their own
- Make sure kids are only using wedges and not long irons or woods to play **YARD GOLF**.

- If your child is not ready to use a real golf ball, you can find SOFTER practice balls at most retail stores. The perfect **YARD GOLF** ball is from Almost Golf and is sold at Golf Galaxy and Dick's Sporting Goods!

**Remember to take pictures of your kids/family playing **YARD GOLF** and we will post them to Twitter on our website and Facebook page! You can send them to Jessani @ Jessani.thefirsttee@gmail.com**
